“The last acupuncture treatment was so supportive. I truly feel that I am walking in ‘grace.’ Thank you for your wonderful support and love. It is such an honor to be your patient.”

“Rada has an intuitive healing nature, which brings calm, comfort, and wellbeing to each patient that she touches. As a result of Rada’s unique qualities, acupuncture for me has become for me a way of pulling my life to the center. She has helped me to find balance in my mind, body, and spirit.”

“It has been a joy to work with you over the past 2 years. I feel very good about you going out into the community to practice. I would freely and with great confidence refer my friends and family to you.
